

KIT HAS THE SOLUTION FOR EVERY AUTO CLEANING AND PROTECTING NEED!

<u>TASK</u>	<u>PROBLEM</u>	<u>SOLUTION</u>
Clean Heavily-Soiled Auto Surfaces	Problem areas (front bumper, behind the wheels) have tough build-up of bugs, tar and brake dust.	Pre-treat heavily soiled areas with <u>Kit Fast Start Pre-Wash</u> . Penetrates and lifts bugs, tar, tree sap, bird droppings and brake dust. Just spray on and wash normally.
Wash Exterior of Car	Road soil, grime, dirt has dulled car finish.	Wash with <u>Kit Wash & Wax</u> or <u>Carnauba Gold Wash & Wax</u> to remove toughest soil and leave paint shining and spot free.
Clean Wheels	Brake dust has discolored wheels.	Quickly clean brake dust with <u>Kit Wheel Gold's</u> penetrating foam. Leaves wheels bright.
Shine Tires	Tires have become dull and brown.	Give tires a deep black, wet-look shine with <u>Kit Black Gold</u> . Keeps tires from turning brown.
Paint Scratch and Haze Repair	Clear coat paint finish has become scratched or dulled from car washing, keys or weather.	<u>Kit Scratch Out Liquid</u> easily removes minor scratches and haze from clear coat paint. <u>Kit Scratch Out Heavy-Duty Paste</u> repairs the tough problems - deeper scratches, acid rain marks, bird dropping damage and more. Makes paint look like new!

<p>Protect Exterior Paint</p>	<p>Paint finish is dull. Water doesn't bead on paint, indicating that it is unprotected.</p>	<p><u>Kit Carnauba Wax</u> Maximum shine and protection for all paint types. Restores color and shine. Lasts up to 12 months. <u>Carnauba Gold Wax</u> gives clear coat paint the deepest, richest shine and lasting protection. <u>Carnauba Gold Instant Detailer</u> The deepest, richest shine--instantly. Optical brighteners boost paint color.</p>
<p>Clean Interior</p>	<p>Spots and stains on carpet and upholstery. Overall soiled interior.</p>	<p><u>Kit Carpet & Upholstery Cleaner</u> quickly removes ground-in soil. New odor eliminator leaves a fresh, clean scent.</p>

<p>Shine and Protect Interior</p>	<p>Vinyl, leather or rubber interior has become dull and faded.</p>	<p><u>Kit Protectant</u> The best product to restore color and shine to vinyl, leather, rubber and plastic interior parts. Protects from dulling and fading.</p>
<p>Shine and Protect Tires, Exterior Trim and Molding.</p>	<p>Black tires, trim and molding have become dull and faded.</p>	<p><u>Kit Protectant</u> Provides good shine and protection for tires, trim and molding. <u>Kit Black Gold</u> An oil-free, water-resistant blend that keeps tires and trim black, car wash after car wash.</p>
<p>Clean and Protect Leather Interior</p>	<p>Leather interior is dull, fading or cracking.</p>	<p><u>Kit Leather Gold</u> moisturizes to prevent dulling, fading and cracking. Nourishes and softens leather. Just spray and wipe.</p>
<p>Clean, Shine and Protect Motorcycle Surfaces</p>	<p>Cycle surfaces have a build up of bugs, tar and road grime.</p>	<p><u>Kit Bike Clean</u> cleans, shines and protects paint, chrome, windshields and fairings. Gives deep reflection without streaking or spotting. Just spray on and wipe off.</p>
